

2008 FP&B Poster Award Nomination Form

SCOPE

The AIChE Food, Pharmaceuticals and Bioengineering Division will grant three (3) graduate student Posters Awards and one (1) General Poster Award, \$500 each. The Awards will be announced right after the end of the poster sessions. An Award certificate and the award amount will be mailed later to awardees at the address provided below by the applicant.

ELIGIBILITY

- Poster must have been accepted and presented in one of the Division 15 poster sessions at the 2008 Annual AIChE meeting to be held in Philadelphia, PA.
- Poster content should not overlap with oral presentations by the same group.
- The extended version of the abstract should be attached to this application form.
- Quality, specific results, outcomes as well as presentation will be a very important part in the decision process for these awards.

SUBMISSION INSTRUCTIONS

The completed application form, and the extended abstract should be e-mailed **as a single PDF file (no larger than 7 Mb)** by September 15, 2008 to fpbe@iastate.edu. No exceptions to the submission format or time extensions will be considered.
